C. ADMISSION PROCEDURE**1. B. Sc. Computer Science**

Admission to the B. Sc. (CS) programme shall be made purely on the basis of total marks obtained for qualifying examinations Plus marks for Mathematics and Physics (or Computer Science, only if the student has not included Physics in the qualifying examination) obtained at the qualifying examination.

2. B. Sc. Electronics

Ranking marks shall be derived by adding the individual marks for Mathematics to the total marks obtained by the applicant in the qualifying examination.

3. Bachelor of Business Administration

Admission shall be made on the basis of merit as determined by scores obtained by the candidates seeking admission computed in the following manner.

A weightage of 50 per cent for the marks obtained in the qualifying examination.

The mode of calculation of weightage of marks in the qualifying examination is as follows:

The applicants seeking admission to B.B.A. course shall be classified into two groups.

Group I – Those with pass in Pre- Degree or equivalent with Science subjects.

Group II – Those with pass in Pre- Degree or equivalent with subjects other than Science.

In computing the admission score from the total marks obtained in the qualifying examination, the average marks obtained by the top five (5) scores in each group will be considered as the maximum marks in that category by any candidate and the marks obtained by a candidate shall be converted as admission score to the base of this maximum.

e.g. If the top 5 marks among the applicants under a group is 93%, 92%, 91%, 90% and 84%, then the 'Average' will be 90.00.

The aggregate marks of 90% and above will be considered as 90 and the calculation will be as follows:

Case 1	For 90 and above	:	$(90/90) \times 50 = 50.00$
Case 2	For 84	:	$(84/90) \times 50 = 46.67$
Case 3	For 72	:	$(72/90) \times 50 = 40.00$

4. B. Com. Computer Applications

Admission for the course shall be made purely on the basis of merit as determined by the marks in the qualifying examination.

5. Bachelor of Computer Applications

Admission to the B.C.A. programme shall be made on the basis of total marks obtained for qualifying examinations Plus marks for Mathematics obtained at the qualifying examination.

D. RESERVATION

The existing norms of the University on reservation of seats, weightage of marks and concession to different categories of candidates shall be followed in UIT's also.
